

CPSDA Athlete of the Year Award Presented by Muscle Milk®

The CPSDA Athlete of the Year award, presented by Muscle Milk, recognizes collegiate, professional and tactical athletes whose athletic accomplishments, in the opinion of the sports dietitian on staff at their school, team or institution, reflect dedication to sports nutrition. Other criteria for consideration will be the athlete's academic achievements, personal accomplishments, and personal integrity as a school-based athlete.

CPSDA-members may nominate one athlete for consideration. One athlete will be selected out of the pool of candidates for the CPSDA Athlete of the Year, presented by Muscle Milk, which will be announced prior to the annual CPSDA Conference and Symposium each year in May. The athlete will be awarded a plaque commemorating the special distinction, and a \$1,000 donation will be made to the athlete's school of choice, or the athlete's favorite charitable organization, pending final approval of that organization by the CPSDA Board.

Completed nomination forms **must be received by March 31, 2012**. Return this entire form to the "CPSDA Athlete of the Year Committee" by E-mail to Caroline Mandel chmandel@umich.edu
